MEMORANDUM FOR: Director of Personnel

FROM: Acting Director of Central Intelligence

SUBJECT: Recommendation in the Inspector General's Report
on the Office of Scientific and Weapons Research,
Directorate of Intelligence

1. I would like you to take the lead in implementing the following recommendation in the Inspector General's report on the Office of Science and Weapons Research:

Recommendation 1. Expand the eligibility criteria for the GSE pay scale to include mathematicians, physicists and computer specialists with scientific degrees, but that action on this recommendation be deferred pending a current study of Agency pay scales.

2. The deferral is based on my understanding that your study of Agency pay scales, which is scheduled for completion in April 1982, might solve the OSWR problem.
